"WHEN IT ALL BEGAN"
30TH ANNIVERSARY PERFORMANCE

PRESENTED BY:

Rythum Plus Dance Company

A Letter from the Artistic Director

Dear Parents and Dancers,

I am thrilled to be celebrating yet another fabulous year of dance! It is always amazing to see new dancers step on stage for the first time, veteran dancers improve, and graduating dancers take their final bows. I am so grateful to be celebrating our 30th anniversary with all of you!

Throughout the year, it was my pleasure to watch the little ones shine at the Christmas recital and to see the excitement of all our dancers as they came in with their new costumes on picture day. Our competitive team has also celebrated many achievements this year and we look forward to travelling to nationals this summer in Atlanta, GA and Virginia Beach, VA.

I have the best team of teachers and staff any studio could ask for. The support and respect we share for each other is a major component to all of our successes. I would like to give a big thank you Claudia Guerrero for simply being available; when you're not in the studio, you are always just a phone call away. I know everyone appreciates all that you do! Matt O'Doherty-Adkins, you are a rockstar! The way you balance your job as a dance teacher and office staff always amazes me and I am so thankful for the way you communicate with all our competitions, venues, and RPDC family. Also, thank you to Mary Strazzulla for making each dancer feel special when they put their costumes on for the first time. The time you take in fitting the dancers, travelling with me to meet with other seamstresses, and helping with finishing touches does not go unnoticed.

Finally, an exceptional note and huge congratulations to Rythum Plus for being voted #1 Dance Studio in the Readers' Choice Awards this year, and a special congratulations to Nina Strazzulla-Farrant for also being voted #1 Dance Instructor in the Reader's Choice Awards.

This 30th season has proved to have its challenges alongside many monumental experiences. I look forward to sharing many more years of dance with you all and I hope you enjoy the show!

Yours in Dance,
Trish Thompson-Creamer

RPDC WOULD LIKE TO CONGRATULATE OUR 2023 GRADUATES

Kassidy Piper Johnston

"RPDC has been my second home my entire life. My older sisters, Kiara and Kennedy, danced at RPDC since 2004 and as far as I can remember, I have been running through the stairways of the studio. I started competing when I was 5 – my duet "Locomotion" with my best friend "Grachel" (aka Rachel). I love all styles of dance, but my first love was acro. When I was 6, I pulled Miss Trish into a studio to show her I could do my aerial and back handspring because I desperately wanted to be her student! That was the beginning of the special bond that we share today. Eleven acro solos, eight lyrical solos, three open solos, and countless duets and teams later, we are reaching our final bow together.

It's been an honour to teach acro and ballet at RPDC. Dancing with my sisters in tap trios, lyrical duets, and the infamous acro duets, were some of my favourites. I have really missed Ki and Kenn being at the studio with me these last two years, although my mom doesn't miss the fees of 60+ numbers! This summer is when my dance competitive dance journey ends. I will compete for the title Miss Dance of America 2024 in Atlanta. I have been proud to represent Dance Masters of Canada as Petite Miss in Boston, Junior Miss in Anaheim, & Teen Miss in Dallas. I was also very fortunate to reign as Junior Miss Dance of America 2019.

Next year, I will be attending medical school at Griffith University in Australia. I hope to find a dance studio to teach at down under. My dream is to become a surgeon and own a dance studio. Thank you to my teachers at RPDC for their guidance and dedication. I am full of gratitude to Miss Trish for all the incredible times we have shared together and the beautiful choreography she has entrusted me with.

Nanny and Poppy, this last recital is for you. I love you more than you will ever know. Ki, Kenn, and my brother Caleb – you have set a high bar for me and push me to achieve great things, I am proud to call you my siblings. Thank you to my dad for supporting me with dance. Mom, we have been side-by-side down this road for 15 years. I am going to miss these times but the special memories will remain in my heart. You have been my rock and I am proud to be the Mel to your Gru – lucky dolphin and kiss!" -- **KASS**

RPDC WOULD LIKE TO CONGRATULATE OUR 2023 GRADUATES

Emma Pettigrew

"This is by far the most difficult piece I have been asked to prepare, as I can't possibly fit 13 years of gratitude on one page. Gratitude for Miss Trish, her faculty, my friends, and the incredible opportunities afforded me by being at RPDC.

Congratulations Miss Trish Thompson-Creamer on 30 years as studio owner of Rythum Plus Dance Company!! I joined your studio at age 5 and the competitive program at age 8. Your studio became my second home and your amazing teachers, office staff, and my teammates became family. Under your direction, I have trained in all genres – choosing a favourite is impossible. With your guidance, becoming Teen Miss Dance of America 2020 is a memory I will cherish forever.

To all my teammates, from the minis to the seniors, thank you for the laughter, your friendship, and the amazing memories that I will carry with me always. To my fellow graduate, Kassidy Johnston, Miss Dance of Canada 2023, I wish you the very best at DMA Nationals and "Down Under" as you pursue your medical degree in Australia. You will be amazing! Thank you to the RPDC 'front line', Ms. Claudia, Mr. Matt, and Ms. Sheree, for all you do behind the scenes and to Mrs. Mary Strazzulla for the love you put into all my beautiful costumes. Thank you to my very special Saturday morning students and teaching assistants, you are always a

bright start to my day! To everyone dancing today and to those participating in their first recital, I hope you have fun with your friends and enjoy your time on stage.

In 13 years, I have never said, "I don't want to go to dance." Miss Trish, you and your faculty are simply, "The Best!" RPDC has been my happy place for as long as I can remember, and I will be forever grateful to you for providing an environment where I could learn from both my teachers and peers, make mistakes, embrace challenges, set goals, and take risks.

Thank you, Mom and Dad, for your never-ending love and support as I continue to chase my dreams. I have deferred my acceptance to Brock University's Concurrent Education program and will combine my love of travel with my passion for dance as I have recently accepted a contract with Royal Caribbean Cruise Lines as a dancer. I hope when I return from my adventures, I will find a home again with Rythum Plus Dance Company." -- **EM**
