31st ANNIVERSARY RECITAL
"ROCK ON"

PRESENTED BY:

Rythum Plus Dance Company

A Letter from the Artistic Director

Dear Parents and Dancers,

I am thrilled to be celebrating another year of dance! Watching the little ones shine on stage at the Christmas recital and seeing the dancers' excitement as they come in for picture day is always my pleasure.

Our graduating dancers are special to me, and this group holds an extra special place in my heart. I can't believe my youngest son, Carter, is among the grads this year. Although it feels like a lifetime ago, I loved watching these eager, bright-eyed children develop into beautiful, inspiring young adults. Their first recitals feel like yesterday.

Every year, we are privileged to witness growth in our students. From our creative movement dancers stepping on stage for the first time to our seasoned recreational and competitive performers – we are proud of you! Thank you for your hard work, positive attitude, and passion.

I have always said that I have the best staff – and we are an exceptional team! Thank you to all the parents for entrusting your children with us. We do not take this responsibility lightly, as we understand that what we teach in the studio can have a lasting impact outside the dance world. Thank you for giving us the best gift – the opportunity to work with your children. You all make us love what we do.

Thank you to all the seamstresses, especially Mary, for making each dancer feel special when they put on their costumes for the first time. Also, thank you to Wes Zappitelli for building and creating our props; you helped make our routines incomparable.

The dancers have been working hard over the past few months, and now it's their time to shine! Sit back and enjoy our recital, Rock On.

See you in September,

Trish
